

Grey Knights Codex

Chapter 1 : Grey Knights Codex

The hierarchy of the grey knights is drastically different from codex-adherent chapters. a council of the chapter's eight grand masters serving under a supreme grand master form the command echelon of the chapter. each grand master in turn oversees a specific aspect of the chapter, such as the armoury or fleet. The grey knights standing resolute against the forces of chaos. in the space marines' long history the grey knights hold the highest honour of all: no grey knight has ever turned to chaos or betrayed the trust of the emperor. this is a subject of much speculation and discussion within the chapter and the inquisition. Why play grey knights? [the grey knights are the emperor's final creation, an army of space marines whose might and dedication eclipses all others. This multi-part plastic boxed set contains 118 components, which you can assemble as a grey knight strike squad, a grey knight interceptor squad, a grey knight purifier squad or a grey knight purgation squad. Please read the faqs before posting. thank you. :) new races: chaos daemons chaos renegades (the lost and the damned) grey knights adeptus mechanicus blood angels space wolves What this book offers you though, perhaps more than any other codex we've seen so far, is the opportunity to build a unique army that reflects your unique play-style and vision for what it means to be an astra militarum army. An imperial knight, or questor imperialis in high gothic, is a type of robotic combat walker in the service of the imperium and sometimes the adeptus mechanicus. each knight is piloted by a single human warrior drawn from an ancient feudal aristocratic culture that stretches across the galaxy

Stratagems. similarly, codex stratagems are unlocked by fielding at least one detachment comprised solely of units from that codex. so a detachment made up of imperial guard and space marines would be battle forged, share a keyword, and be legal in matched play, but by itself it would not have access to either of those codexes' stratagems. Obviously there is more going on than evaporative cooling (costly signalling, consistency and commitment effects, etc.), but i think that it is a fair first order approximation if the group one is talking about is american christianity as a whole.
