

Morth 5th Revision Section 400

Chapter 1 : Morth 5th Revision Section 400

Hume pipe is 458-2003 - download as pdf file (.pdf), text file (.txt) or read online. In physiology, an action potential occurs when the membrane potential of a specific axon location rapidly rises and falls: this depolarisation then causes adjacent locations to similarly depolarise. action potentials occur in several types of animal cells, called excitable cells, which include neurons, muscle cells, endocrine cells, and in some plant cells.
